Volume 9, Issue 6

Serving the Austin IP Community Since 1982

June 2007

POST-KSR BOX SCORES ...

• Federal Circuit

Held Obvious: 2
Held Non-Obvious: 0

• District Courts *

Obviousness Affirmed: 4
Obviousness Reversed 0

• Board of Appeals (30/31-May-2007) *

Obviousness Rejection Affirmed: 25 **
Obviousness Rejection Reversed: 6 †

* Reported decisions only for District Ct. Decisions dated 30-31 May 2007 only for Board of Patent Appeals and Interferences.

** Three (3) decisions (of 25) scored as affirmance were in fact affirmed-in-part, reversed-in-part.

† Two (2) decisions (of 6) reverse examiner, but enter new grounds for rejection. Two (2) decisions (of 6) scored as reversals actually reverse a primary rejection under §102 based on absence of express or inherent disclosure and the related §103(a) rejections falls for the same reasons. Accordingly, a net score of 2 Applicant wins vs. 27 losses might be more accurate.
